ENCHANTING PACIFIC VIEWS

Capella Pedregal is reached via the only privately owned tunnel in Mexico, Dos Mares. Carved through the heart of the mountain, the tunnel is a 300-meter long engineering feat that separates the town of Los Cabos from the Pacific Ocean.

This incredibly dramatic entrance to Capella Pedregal leaves no question that you have entered a world apart. Guests who wish to experience true “Cabo culture” will find the vibrant shops, dining and entertainment of Cabo San Lucas village and its world-class marina all within easy reach by foot, bike, personal auto or resort valet, just on the other side of our remarkable tunnel.

ABOUT LOCAL WEATHER

Our location on the southern tip of the Baja California Peninsula in Mexico provides exceptional weather year round. The dry desert climate temperature hovers in the mid 80’s Fahrenheit, with blue skies and sunshine most days of the year. In the summer, the cool Pacific breeze makes our unique location comfortable.
